Art Unit: 2811

The appeal brief filed on 20 May 2005 is defective because:

The Brief does not include an "Evidence appendix" and a "Related proceedings appendix." The requirement for such appendices appears in the "New Rules of Practice Before the BRAI - OG Date 23 December 2003." See

<http://www.uspto.gov/web/offices/com/sol/og/2003/week51/patrul.htm> . (May need to search for "appendix" or something similar to find the relevant sections of the rule.)

Apparently, to avoid remand, the Board is requiring an actual appendix with the appropriate title, with a statement that no "evidence" or "related proceedings" is included, if indeed no such information is included.

To avoid dismissal of the appeal, appellant must submit the necessary additional appendices of the appeal brief within the longest of any of the following TIME

PERIODS: (1) ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing of this communication; (2) within the time period for reply to the action from which appeal has been taken; or, (3) within two months from the date of the notice of appeal under 37 CFR 1.191. Extensions of these time periods may be granted under 37 CFR 1.136.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Crane, whose telephone number is (571) 272-1652.
